Dear Leonard,

It took the Singapore Chess Federation 8 days to reply to the National Chess Federation of the Philippines that their email is noted.

The Management Board of the ASEAN Chess Confederation has viewed the Complaint very seriously and will meet to discuss any action to be taken.

Regards,
Ignatius Leong
President
ASEAN Chess Confederation

Dear Members of the SCF Executive Council,

I have been notified by the National Chess Federation of the Philippines that it has filed a complaint to the SCF. The copy of the Complaint is attached.

This is the first time in 16 years that a national federation in ASEAN has filed an official complaint against an official of another national federation within the ASEAN family. I wish to point out that the intimate friendship between the national federations of the Philippines and Singapore goes back almost 50 years. Without their support and participation over the last 50 years, chess in the ASEAN region, in particular, Singapore, would not be what it is today.

Henceforth, please kindly reply to the NCFP as soon as possible before they seek redress through other channels.

Regards,
Ignatius LEONG
